- **Enjoy hearty homemade soup, salad and dessert**
  Sample some of the Soup of Success that is a cornerstone of CCS' educational programs. These soups are sold in 42 outlets and online and create an income and real-time business experience for women in transition. Dessert will be provided by various gourmet cooks and restaurants.
- **View "Super Structure" displays**
  Local groups are building sculptures out of pantry items including canned and boxed goods, creating interesting towers, animals and color schemes. These will be on display, and you can vote on your favorites. Your monetary vote will decide which structure will become the "People's Choice." After the event, all the food items will be used at our food pantry to help out those in need. Marvel at the creativity!

Bring a friend or your entire family and dine with the folks at Church Community Services!

There's even more!!!

- Free drawing for custom pottery bowls each hour.
- Live entertainment by talented local musicians.
- Children's "Super Structure" area to build mini structures.
- Cooked soups-to-go to purchase for another time AND Soup of Success soup and cookie mixes for gifts or future meals. These mixes are a MUST for every pantry!
