Calling All Creative and Community-Minded Folks!

You are invited to support Church Community Services by forming a team to participate in the *Super Structures* event at

SOUP IT UP! * October 10, 2009 * Trinity United Methodist Church

We are excited about this year's event and the opportunity to showcase the talents of people from the Elkhart community – businesses, schools, churches, clubs & families.

Super Structures is an opportunity to join together in a friendly, creative competition to build sculptures out of food! All of the food and personal care items used to make these structures will be donated to the CCS food pantry to help people in Elkhart County.

- 1) Gather a group of interested people.
- 2) Come up with a clever design.
- 3) Gather the non-perishable canned/boxed food items, along with personal care or baby items needed to create your magnificent structure.
- 4) Arrive on Friday, October 9, and assemble it for all to admire. (Must be completed between 9 AM and 9 PM on Friday, October 9.)
- 5) Invite everyone you know to come and vote (\$1 = 1 vote) for your masterpiece!

**When your team is ready for the challenge,
